Country: Zimbabwe

Website: [UZ | University of Zimbabwe](#)

Duration: Oct'23 – Dec'25

Activity:

HCP Empowerment

Disease focus:

Diabetes
Hypertension

Other Stakeholders:

Ministry of Health Zimbabwe

Project Overview:

Partnership with the University of Zimbabwe to improve Diabetes and hypertension management

One-year, multidisciplinary diabetes training program for HCP's to improve the quality of care offered to our patients in the Diabetes,

Achieved Reach

- **53** Community health workers trained
- **132** Pharmacists trained
- **146** Nurses trained
- **254** Doctors trained

Outcomes Achieved:

HCPs have improved knowledge, confidence and tools to support Patients

64% of the HCPs that registered (~750 HCPs) completed the full curriculum

Online lectures significantly aided positive and interactive learning experience of module content especially with last cohort."
