

We chase the *miracles* of science to improve people's lives.

Ah-Lin-Tan ("Light Ray")

Partner: Z-Waka

Country: Myanmar

Website: [For Healthcare Professionals - Z-waka](https://www.z-waka.com)

Duration: Oct'25 - Apr'27

Activity:

HCP Empowerment

Disease areas of focus

Cardio & Diabetes

Other stakeholders

Myanmar Endocrinology Society,
Myanmar Cardiology society,
IDF

Project Overview:

In response to the urgent need for skilled HCPs, Z-waka proposes a scalable digital training program designed to build the capacity of HCPs in Myanmar, particularly in the private sector. This program will focus on equipping healthcare workers with the necessary skills to manage and treat chronic diseases, with a specific emphasis on diabetes and cardiovascular conditions.

Outcomes expected

HCPs have improved knowledge, confidence and tools to support Patient

Targeted reach:

600 Doctors

600 Nurses
